

105th Strike Fighter and Twilight Pursuit Squadron

Gunslinger Command Philosophy

OUR MISSION is our oath: to support and defend the Constitution of the United States against all enemies. We do so by launching the Navy's best-trained pilots in the Navy's most combat-ready aircraft, anywhere in the world, at any time.

OUR VISION We will continue to be the premier Strike-Fighter squadron in the Fleet. We will be an organization exemplifying the highest standards of service, conduct and performance, founded on a culture of professionalism, pride, respect and dignity. Each of us will finish his or her tour proud to have been a Gunslinger.

OUR ETHOS is based on simple principles that define our character and shape our words and deeds. They are:

- **WE DO RIGHT.** *Live by our Core Values and hold yourself and your fellow Gunslingers to account. Know that you are both empowered and required to "Do Right" at all times. Value your integrity and honor above all.*
- **WE ARE QUIET PROFESSIONALS.** *Train with extreme discipline. Set the example and the bar. Execute with passion. Let your performance do your talking.*
- **WE PURSUE EXCELLENCE.** *Be a better Gunslinger, a better Sailor, a better person every day. Seek ways to improve your squadron and your squadronmates. Accept every challenge.*

As Gunslingers, we are a team – disciplined, fearless, and lethal – who achieve and succeed at any task, at any time, in any conditions.

Tonight... We Ride!
