4. Applicability. The provisions of this instruction apply to echelon 2 personnel under the Bureau of Naval Personnel (BUPERS), and all echelon 3, 4, and 5 commands under Chief of Naval Personnel (CHNAVPERS).

5. FOIA Request. In order for a request to be processed under FOIA, the following conditions must be met:

   a. Request must be in writing, and must either explicitly or implicitly invoke the FOIA, or reference (b);

   b. Request must be for a copy of existing records;

   c. Records requested must be reasonably described; and
d. Requests must state that the requesters are willing to pay all fees, or fees up to a specified amount, if the fees are expected to exceed the minimum fee waiver threshold, or provide satisfactory evidence that they are entitled to a waiver or reduction of fees.

A copy of the local directive will be furnished to Navy Personnel Command (NAVPERSCOM), Office of Legal Counsel (PERS-00J). The local directive should provide for procedures to respond to the requester within 20 working days. All CHNAVPERS subordinate commands shall follow the denial procedures set forth below.

7. Denial Procedures

a. The authority to deny requests under FOIA is held only by those authorized below. Reference (b), paragraphs 6(e)(1) and 6(e)(4) delegate the authority to deny requests for records under FOIA to the Chief of Naval Operations and respective vice commanders, deputies and those principal assistants specifically designated. b. Each CHNAVPERS subordinate command must establish procedures whereby a proposed denial is promptly forwarded to the correct denial authority. Prior to forwarding a proposed denial, subordinate commands should consult with their FOIA coordinator. After consultation with the FOIA coordinator, the subordinate command shall expeditiously forward the original request letter, a copy of the requested records, and a memorandum stating the exemptions relied upon in recommending denial.
c. Activities under the command of COMNAVCRCUITCOM will submit proposed denials to the appropriate denial authority per procedures established in directives issued by those denial authorities.
