

Warrior Transition Program Gear Turn-in Information

The information below will help you at WTP when you turn in your gear. Gear inventory forms are found on page 2 and 3. A pictorial of items are listed on pages 4 and 5. **Not everyone will have been issued everything on the gear inventory forms. However, if you signed for it, you are required to return it.** If you mailed any items thing back to the U.S. you will need to retrieve those items or you could be held financially liable by the Army. Items that DO NOT have to be returned:

- ACU/OCP/TYPE III uniforms
- boots, socks
- t-shirts
- long underwear (lightweight and heavyweight)
- covers
- gloves
- eye protection (glasses) *Goggles do need to be returned*

OCP gear issue in theater – Many Sailors received a second gear issue in theater (OCP and replacement gear). With the exception of the gear (uniforms, etc) listed above, if you signed for it, it needs to be returned. All gear will be returned to your original CONUS training site and removed from your account. Keep all gear receipts.

To save yourself time, separate the items you need to return from the items you do not and your personal items. Bring only the items to be turned in to gear drop. **Everyone will need to turn in two seabags.** Ensure everything is clean and free of sand and dirt. It does not matter if you have marked your name on items; they still need to be returned. **DO NOT** discard uniform items in trash cans anywhere in theater. There are specific uniform turn-in locations at WTP to discard uniforms if you desire. Any missing or lost gear will be documented on a DD-200. In most cases the Sailor will not be charged.

Special note about sleep systems: All five pieces (including the bag) must be turned in. If there are any missing pieces, a DD-200 will need to be filled out.

Ensure you keep one uniform (blouse/jacket, not combat shirt) and a soft cover (no boonies or ball caps) for flying back to US (rotator only) and for reporting to NMPS.
