

#551: Well, It Sounds Good, At Least

Obviously, safety does take holidays, in more ways than one. If safety as a concept, incarnated in precautions, didn't take holidays, we'd run out of photos and have to close down this popular part of the web site.

And safety specialists need some time off once in a while. It's hard, thankless work telling other people what to do and what not to do, much less keeping your own nose clean.
