

***SPAWAR Space Field Activity
VISITOR INFORMATION***

1. The SSFA is co-located with the National Reconnaissance Office (NRO) at:

**Room 43D19C
14675 Lee Road
Chantilly, VA 20151**

2. Call 703.808.1294 for additional information.

3. Arrangements for meetings should be made well in advance since the NRO is a secure facility.

4. After deciding the level of clearance for your meeting with your SSFA or NRO point of contact, you must ensure that your clearances are up-to-date and confirmed by the SSFA SSO (703.808.4719)

5. You must also have your SSFA/NRO point of contact enter a visit request in our system to ensure entry.

6. Unclassified visits may be arranged but require extra planning. There are meeting rooms in the NRO's visitor center but unclassified visits need to be reserved in advance. You must also have a visit request entered in our system to ensure entry. Unclassified visits within the Westfields facility also require preplanning with your SSFA/NRO point of contact since escorts must be arranged and meeting areas must be cordoned off.

7. Prohibited items include cell phones, laptops, pagers, cameras, PDAs and any electronic recording devices.
