

20TH INTERNATIONAL ROBOSUB COMPETITION

JULY 26-30, 2017 9 A.M. TO 5 P.M.

FREE TO THE PUBLIC

High school and college student teams are challenged to perform realistic missions in an underwater environment.

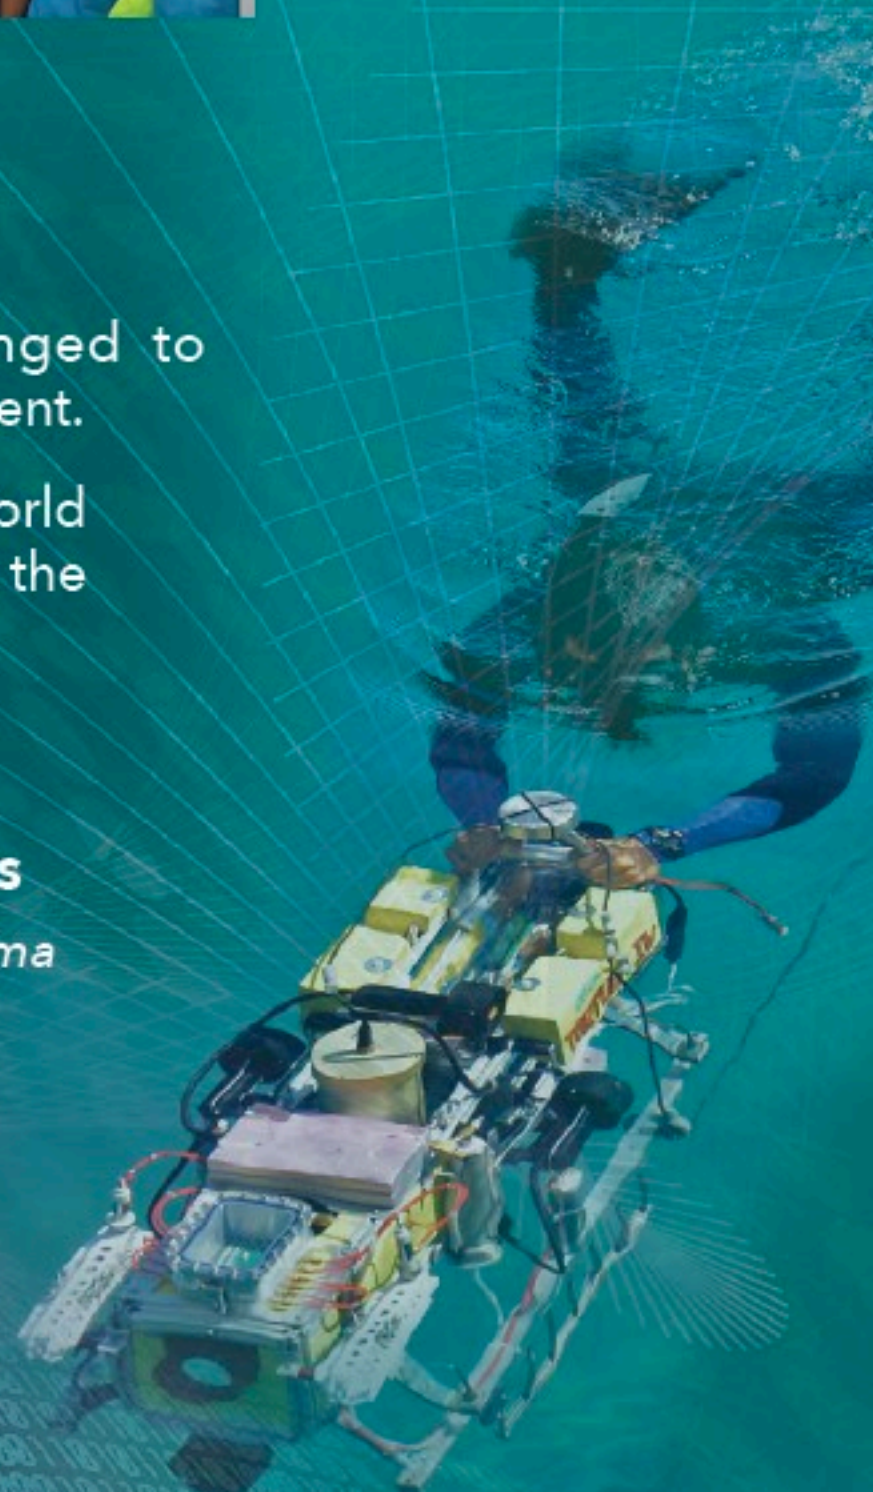

Spectators can watch student teams from around the world as they prepare their unique vehicles and put them to the test during the competition.

Competition Location

The U.S. Navy's TRANSDEC Pool on San Diego's Point Loma Take Catalina Boulevard toward Point Loma Lighthouse/Cabrillo National Monument. Signs will direct spectators to parking.

Live webcast of finals at www.robosub.org
Sunday, July 30, 1 – 5 P.M. PST

Questions? Call the SSC Pacific Public Affairs Office at 619-553-2717.
