ViaSat, Carlsbad, Calif., is being awarded a \$6,824,000 firm-fixed-price delivery order for Multifunctional Information Distribution System Joint Tactical Radio Systems (MIDS JTRS). Work will be performed in Carlsbad, Calif., (30 percent), in various other sites worldwide (70 percent), and is expected to be completed by February 2012. Contract funds in the amount of \$4,265,000 will expire at the end of the current fiscal year. This contract is the result of a limited competition with two proposals solicited and two offers received via the SPAWAR E-commerce web site. The synopsis was released via the Federal Business Opportunities web site. The Space and Naval Warfare Systems Command in San Diego, Calif., is the contracting activity (N00039-10-D-0032).
