Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO – Data Link Solutions, LLC, Cedar Rapids, Iowa is being awarded a \$24,996,802 firm-fixed-price-incentive-firm, firm-fixed-price, cost-plus-incentive-fee and cost-plus-fixed-fee indefinite-delivery/indefinite-quantity contract for Multi-functional Information Distribution System (MIDS) on Ship (MOS) Modernization (MOS MOD) (N00039-14-D-0004).

This contract covers the development, fabrication, integration, testing and delivery of MOS MOD systems, which will be developed to support both the MIDS Joint Tactical Radio System and the MIDS Low Volume Terminal four for shipboard applications.

Fiscal Year 2013 research, development, test and evaluation funds in the amount of \$8,184,972 will be placed on contract and obligated at the time of award.

This contract includes options which, if exercised, would bring the cumulative value of this contract to an estimated \$66,294,150.

Work will be performed in Wayne, N.J., (52 percent), Cedar Rapids, Iowa, (48 percent) and is expected to be completed by February 2017. If all options are exercised, work could continue until February 2022.

Contract funds in the amount of \$8,184,972 will expire at the end of the current fiscal year.

This contract was competitively procured via the Commerce Business Daily's Federal Business Opportunities website and the SPAWAR e-Commerce Central website, with two offers received.

The Space and Naval Warfare Systems Command, San Diego, Calif., is the contracting activity (N00039-14-D-0004).
