

USS WHIRLWIND (PC 11)

Costal Patrol Craft

Homeport: Manama, Bahrain

www.navy.mil/navydata

USS *Whirlwind* (PC-11) is the eleventh Cyclone class Patrol craft which is currently homeported in Manama, Bahrain. The primary mission of these ships is coastal patrol and interdiction surveillance, an important aspect of littoral operations outlined in the Navy's strategy, "Forward...From the Sea." Mission tasking for forward based PC's consist of Maritime security Operations (MSO) in the Northern Arabian Gulf (NAG), protection of Iraq's oil terminals and sea based infrastructure, as well as Global War on Terrorism (GWOT) tasking. Of the thirteen ships, nine originally operated out of the Naval Amphibious Base Little Creek, Norfolk, Virginia, and four originally operated from the Naval Amphibious Base Coronado. As of 2006, five hulls were decommissioned and loaned to the United States Coast Guard to be returned to the Navy in 2009 and one was donated to the Philippine Navy. Of the remaining eight, USS Hurricane, USS Squall and USS Thunderbolt are homeported at Little Creek Naval Amphibious Base. USS Typhoon, USS Sirroco, USS Chinook, USS Firebolt and USS Whirlwind are homeported in Manama, Bahrain. Its armament includes two Mk38 chain guns, two Mk19 automatic grenade launchers, and two .50 caliber (12.7 mm) machine guns. Different crews, are embarked onboard PC's for six to seven months.
