

On behalf of the COMCMRON FIVE team, *Welcome Aboard!*

You have joined an organization with an honored tradition and a bright future. COMCMRON FIVE is a NAVCENT command with four [Avenger Class Mine Countermeasure Vessels](#) assigned to patrol and survey 96,912 sq miles of international waters in the Persian Gulf. We face operations with [Combined Maritime Forces Membership](#) “CMFM” commands, EOD Teams and Aircraft support from [HM-15](#) in the CENTCOM AOR.

Recently established, March 2010, our primary Mission is to ensure the continued, safe flow of maritime traffic in waterways critical to global commerce.

The U.S. and its partners are committed to promoting security, stability, and our mutual interests in the U.S. 5th Fleet area of responsibility.

You have an important role to play in the continued success of the entire operation. You are the face of the COMCMRON FIVE team to Combined Task Force 52, [NSA Bahrain](#), [NAVCENT](#) and [U.S. 5th Fleet](#).

As a new team member, you may have questions regarding general information to include: PCS, Checking into the command and base, protocol, [housing](#), etc. We are here to help you become oriented with the organization. Please read our website, check the links thoroughly and retain it for future reference. We are committed to providing the training, development, and communication you need to succeed in your career.

I encourage you to talk with other team members and your supervisor if you have additional questions.

Welcome and thanks for joining our family!
