Although there are laundry services onboard, it is best to bring enough clothing for a week. The laundry facilities can do washable laundry although sometimes it is a bit harsh on delicates. A pair of shorts will be appropriate for some of the planned topside activities. Long pants (jeans) are best for normal wear. Nothing fancy will be needed onboard. Due to the limited space, bring only one medium sized suitcase. Linens, blankets, and pillows will be provided by the ship. Personal sleeping bags are permitted in addition to the one suitcase.
