Greetings and blessings from Millington! Another wave of the pandemic is running rapidly throughout the world, be as careful and safe as you can while protecting the fleet. A few items from the ECM Office:

- Current overall manning is at 95%.
- Awaiting Chief results within the next 30 days to have us properly manned at that rank.
- FY21 EPA (growth) is reflecting on this month's health slide.
- Next NSF Newsletter will be released before the end of the year.
  - SRB has shifted to 0000-Zone A and P06A-Zones B/C
  - Contact the ECM Office for questions, concerns or career guidance at ma_ecm@navy.mil

Press on,
LCDR Ro Rosalez
