

AVAILABILITY REPORT (AVAIL) - Decision Logic
See MILPERSMAN 1306-1702 for more detailed instructions.

(1) AVAIL is not required.

1	Within 90 days of end of obligated service with soft end of active duty obligation (SEAOS) as applicable, regardless of projected rotation date (PRD), and does not desire to incur obligated (OBLISERV) for BUPERS orders.
2	RTD/FFD or other type of release. PRD exceeds 9 months.
3	Held beyond end of EAOS for PEB and does not desire to reenlist.
4	TPP&H and/or RTD/FFD approved or directed to separate by higher authority within one year (i.e., early separation, administrative separation, c-way denied, etc.)
5	TPP&H and/or RTD/FFD, within one year of estimated loss date from the Navy (EDLN) (i.e., transfer to the Fleet Reserve, retirement, high year tenure (HYT), enlisted review board results (ERB), etc.).
6	Notification received by Navy Personnel Command (NAVPERSCOM) or member's command that it has been determined member will remain onboard and PRD will be adjusted.
7	PRD has been adjusted since AVAIL submitted to either match SEAOS and/or EDLN or other separation date within one year, or PRD is adjusted outside 9-month window.

(2) AVAIL is valid without any type of hold status. Member is available for transfer without any type of hold status.

1	Within 90 days of SEAOS, PRD is blank or is 9 months or less, desires to incur OBLISERV for orders.
2	SEAOS is more than 90 days, regardless OBLISERV intentions. PRD is blank or is nine months or less.
3	Held beyond EAOS for PEB. Approved to reenlist.
4	Fleet Reserve, retirement is pending approval; or has been approved with an EDLN date exceeds one year.
5	Termination of pregnancy tour requirement and medically cleared.
6	Requires BUPERS orders for approved Humanitarian Reassignment (HUMS) and when released from HUMS.
7	Pending disciplinary action. Requires BUPERS orders to support/others activity for further processing or to confinement.
8	Released from disciplinary action.
9	Navy Veteran/Other Service Veteran (NAVET/OSVET), component change to active duty or Full Time Support (FTS) reassignment applies.

AVAILABILITY REPORT (AVAIL) - Decision Logic
See MILPERSMAN 1306-1702 for more detailed instructions.

10	Approved for lateral or forced rating conversion or other rating changes to include Navy exam results. Billet not available onboard.
11	Disqualified from present duty (not TLD, PEB, or pregnancy) requires BUPERS orders to a support/others activity and/or next assignment.

(3) **AVAIL is dependent on member's duty status at time of status change.** Contact NAVPERSCOM (PERS-454) for further guidance.

1	Normal duty, TPP&H or LIMDU/PEB Status changes to TLD, PEB, or pregnant.
2	Normal duty, TPP&H and/or pregnancy tour and status changes to TLD, PEB, or subsequent pregnancy.

(4) **AVAIL is VALID when directed by Navy Personnel Command (NAVPERCOM)** once all required screening/evaluation process is completed for specific EOD, aviation ratings and for submarine/nuclear community to include approved forced conversion.

1	TPP&H and/or RTD/FFD, pending further screening for specific ratings
2	TPP&H and/or RTD/FFD, pending further screening for submarine/nuclear community.

(5) **Other AVAIL determinations.** AVAIL for applicable reasons provided below.

1	TPP&H and/or RTD/FFD, pending c-way approval. Submit an AVAIL once c-way is approved.
2	TPP&H and/or RTD/FFD, pending security clearance resolution/confirmation. Submit an AVAIL once resolved/confirmed.
3	Assignment Screening, results in member being world-wide assignable or assignment limited (ASLIM). Submit an AVAIL.
4	Command status change. Navy Personnel Command (NAVPERSCOM) determines and controls AVAIL submission.
5	Assigned to a training activity. AVAIL submission is dependent on status (i.e., graduation, non-graduate, release from any hold status, etc.) as provided in various paragraphs above.
6	TPP&H and/or RTD/FFD. Released from hold status not already provided. BUPERS orders have not been received. Submit AVAIL when released from hold.

AVAILABILITY REPORT (AVAIL) - Decision Logic
See MILPERSMAN 1306-1702 for more detailed instructions.

7	After receipt of BUPERS orders from any AVAIL, if such BUPERS orders require formal modification (i.e., status change at school command, diversion, etc.). AVAIL can be entered for short fused orders, to include when needed to turn a requisition blue on a member with short fused PRD.
