4. Additional Guidance. The below information is provided to
clarify community requirements and any specific needs, but in no
way should replace the Best and Fully Qualified Standard of
reference (a).

a. Bank Review. To ensure standards of performance are
maintained, the records of officers previously selected for
Commander Milestone, but not yet in their tour, shall be
reviewed. This review should only be a review of the member's
record since the last review. Those officers whose records,
since Commander Milestone selection, in the opinion of a
majority of the board members, indicate significant decline in
performance, or which contain material subsequent to the last
board, which casts doubt upon their qualifications to serve as a
Commander in a Milestone assignment, shall be reported. This
report shall include a recommendation regarding removal from the
Commander Milestone bank, as appropriate. The purpose of this
review is to ensure continuing quality of officers selected for
Commander Milestone assignments.

b. The specified goals are designed to provide an equitable
overall percentage selection rate for each PYG.

c. Only those officers who comply with reference (b),
fulfilling command qualification requirements, will be eligible
for consideration. The final actual eligible numbers will be
determined as of the date the board convenes.

d. Officers who submit written or emailed requests to not
have their records considered for the screen will be ineligible
and their record will not be screened.

e. Officers with approved retirement or separation orders,
