NAVY CEREMONIAL GUARD

1. Background. Established in 1931, the U.S. Navy Ceremonial Guard is the official ceremonial unit of the Navy. Located at Joint Base Anacostia-Bolling (JBAB), Washington D.C., the Navy Ceremonial Guard’s primary mission is to represent the Service in presidential, Joint Armed Forces, Navy, and public ceremonies in and around the nation’s capital. Service members of the Navy Ceremonial Guard participate in some of our nation’s most prestigious ceremonies, including presidential inaugurations and arrival ceremonies for foreign dignitaries. In addition, the Navy Ceremonial Guard serves as the funeral escort, and conducts all services for Navy personnel and dependents buried in Arlington National Cemetery. Tasking for ceremonies comes from the President of the United States, the Secretaries of Defense and Navy, the Chairman of the Joint Chiefs of Staff, the Chief of Naval Operations, and the Commandant, Naval District Washington. Elements of the command, such as the drill team and color guard, have represented the Navy in public events around the world.

2. Policy

   a. Non-petty officers (POs) are assigned directly from Recruit Training Command. Recruits who volunteer, and are accepted for Ceremonial Guard duty must execute NAVPERS 1070/613 Administrative Remarks acknowledging the delayed entry into the guaranteed program for which they enlisted until completion of the prescribed tour with the Ceremonial Guard. NAVPERS 1070/613 may be accessed by using the following Web address: http://www.public.navy.mil/bupers-npc/reference/forms/NAVPERS/Pages/default.aspx.
b. Service members who did not enlist for a guaranteed program may request any program for which they qualify within 12 months prior to completion of their tour. This does not preclude any Service member of the Ceremonial Guard from subsequently requesting “A” School or transfer to sea duty. Requests of this nature may be expected to receive favorable consideration if the Service member is otherwise eligible and a requirement exists.

c. Chief petty officers (CPOs) and POs eligible for shore duty will be released by their rating detailer to Ceremonial Guard Detailer, Shore Special Programs Assignment Section (PERS-4010D). PERS-4010D will send a screening message to the command concerned. The command will comply with MILPERSMAN 1306-954 for recruit division commander (RDC) positions and MILPERSMAN 1306-945 for non-RDC positions in completion of the screening. Additionally, within 30 days, the command will submit the Service member’s:
