1. **Policy.** The Navy requires immunizations for all Sailors, based on its compelling interest in the health and safety of the military workforce. Pursuant to reference (a), religious exemptions of immunization requirements will include the justification and endorsements in paragraphs (4) and (5) of this article prior to routing to the Chief of Naval Personnel (CHNAVPERS) for decision. Non-religious medical waivers of immunization requirements will be adjudicated by the health care provider as addressed in reference (b).

2. **Authority.** Authority to grant non-religious waivers of immunization requirements is vested at the Bureau of Medicine and Surgery (BUMED). Authority to grant religious exemptions of immunization requirements is vested with CHNAVPERS.

3. **Application Procedure.** Service members requesting a religious exemption of immunization requirements will forward a request to CHNAVPERS via the Service member's commanding officer (CO) or immediate superior in command (ISIC).

4. **Contents of Service Member's Request.** The request will include the following:

- a. full name and grade,
- b. immunization exemption(s) requested and the reason why the exemption is needed, and

c. the following signed [NAVPERS 1070/613](#) Administrative Remarks using the following format:

"I request a waiver of the (state the type) immunization. I hereby state that my request is based upon (religious objection to immunization or other reasons specifically described). I acknowledge having received the following counseling:

1. Failure to obtain immunization poses additional risk to my health upon exposure to disease.
2. In the event of foreign travel, I may be detained during travel across foreign borders due to international health regulations.
3. If granted, a waiver may be revoked by my commanding officer if I am at imminent risk of disease or due to international health regulations.
4. If my job duties change, I may need to route a new request.
5. If I PCS while my waiver is in effect, I may need to route a new request if my job duties change, my geographic region exposes me to the aforementioned disease, or other factors exist that could put me at imminent risk of disease.

5. **Content of Commander's Endorsement.** COs must endorse every request for religious accommodation through waiver of immunization requirements. The content of the endorsement will include

- a. an endorsement from a military chaplain in line with reference (c),
- b. a recommendation to approve or disapprove the request,
- c. relevant information concerning the applicable operational or regional policies,

d. negative effect (if any) on mission accomplishment (i.e., military readiness, unit cohesion, good order, discipline, health, and safety),

e. the number of Service members in the command that have been granted a similar exemption for non-religious purposes, and

f. when recommending denial of the request, a determination that the denial furthers a compelling governmental interest (such as those identified in paragraph 5d), and that there is no less restrictive means of accommodating the request, such as an available alternative vaccination that meets both the religious need and the Navy's immunization requirements as determined by the BUMED.

6. **Applicant Counseling.** COs will ensure applicants are counseled concerning the following in line with paragraph 4c:

a. the additional risk to health on exposure to disease against which the applicant will not be protected by a military physician who informs Service member of diseases concerned, and benefits and risks of vaccine,

b. the possibility that the applicant may be detained during travel across international borders due to international health regulations, and

c. the possibility that individuals granted such exemptions may have their waiver revoked if they are at imminent risk of disease (i.e., exposure to anthrax, measles, cholera, etc.) or due to international health regulations.

7. **Revocation of Waiver by CO.** COs may, without prior approval, revoke a Service member's authorized immunization waiver in the event of imminent risk of disease due to exposure or as a result of international health regulations incident to foreign travel. If a Service member's immunization waiver is revoked, such action is to be reported to CHNAVPERS and BUMED, Public Health/Preventive Medicine (M3B25) by message as soon as possible.

8. **Administrative and Disciplinary Actions**

a. In line with reference (a), Service members submitting requests for religious accommodations will comply with the policy, practice, or duty from which they are requesting accommodation, unless or until the request is approved.

b. Service members whose waiver has been disapproved, or those who refuse to take immunizations without an approved waiver, may be subject to administrative and or disciplinary actions as deemed appropriate by COs, for violation of a lawful order.

c. Actions include:

(1) formal counseling and warning recorded on [NAVPERS 1070/613](#),

(2) nonjudicial punishment,

(3) court-martial, or

(4) processing for administrative separation.
