-------------------	--

1. **Policy**. Members of the Navy who are covered by the Blended Retirement System (BRS) are eligible to receive continuation pay (CP) per references (a) through (d). CP is a one-time mid-career incentive pay in exchange for an agreement to perform 4 years of additional obligated service. CP is in addition to any other career field-specific or retention incentives.

2. **Purpose**. CP is designed to incentivize members to obligate for an additional 4 years of service and increase the likelihood that the member will remain in the Navy until eligibility for a regular or non-regular retirement.

3. **Responsibilities**

a. Deputy Chief of Naval Operations (DCNO) (Manpower, Personnel, Training, and Education (MPTE) (CNO N1)) will authorize CP rates, timing of the payment, and service

obligation requirement for the Active Component (AC), Reserve Component (RC) (Full Time Support (FTS)), and Selected Reserve (SELRES) members.

b. Office of the Chief of Naval Operations (OPNAV), Military Personnel, Plans and Policy Division (N13):

(1) In coordination with the Office of the Chief of Navy Reserve and Navy Personnel Command (NAVPERSCOM), will coordinate and propose the CP rates, timing of the payment, and service obligation requirements to CNO (N1) per references (a), (c), and (d).

(2) Will provide an annual report to Assistant Secretary of the Navy (Manpower and Reserve Affairs) (ASN (M&RA)) no later than 30 June of each year indicating CP multiple(s), timing, and service obligations for the AC and RC. The plans must provide execution data for CP offered in the previous year (i.e., number of CP contracts broken down by AC and RC, and officer and enlisted), any quantitative and or qualitative data that support the multiple(s), timing, and service obligations selected, including justification for any changes from the previous year.

c. NAVPERSCOM, Pay and Personnel Management Department (PERS-2) is responsible for oversight of the Navy Personnel System used to identify, track, notify, and update the eligibility status of members who are enrolled in BRS.

d. NAVPERSCOM, Career Progression Department (PERS-8) is responsible for processing and executing the CP payment for members on active duty. Specifically, NAVPERSCOM (PERS-8) will:

(1) Maintain the current CP rates, as published by CNO (N1), in the Navy Personnel System for AC and FTS.

(2) Validate AC and FTS CP eligibility and release CP authorization to Defense Finance and Accounting Service (DFAS).

(3) Process permanent [NAVPERS 1070/613](#) Administrative Remarks within the Navy Personnel System and submit Defense Workload Operations Web System (DOWWS) trouble tickets for AC and FTS members who are unable to elect CP via Navy Personnel System.

e. Order Issuing Authority: NAVPERSCOM (PERS-46)/NAVPERSCOM (PERS-9)) will issue active duty orders to Ready Reserve members containing the following statement:

"If enrolled in the Blended Retirement System and eligible for continuation pay, after electing to receive continuation pay via the Navy Personnel System; Commander Naval Reserve Forces Command (COMNAVRESFORCOM), Pay and Personnel Systems (N11) must be contacted to initiate the CP payment within NSIPS. Commander, Navy Reserve Forces must be contacted at [cnrfc\\_bonus\\_shop@navy.mil](mailto:cnrfc_bonus_shop@navy.mil) or phone: (757) 322-2643/2262."

f. Commander, Navy Reserve Forces Command (CNRFC) will:

(1) Maintain current CP rates set by CNO (N1) in the Navy Personnel System for RC, except FTS.

(2) Ensure all SELRES members eligible for CP are notified.

(3) Submit DWOWS trouble tickets for Ready Reserve members who are unable to receive CP via the Navy Personnel System (e.g., Ready Reserve members on active duty).

(4) Support Ready Reserve members on active duty who are eligible for and have elected to receive CP via the Navy Personnel System. Specifically, COMNAVRESFORCOM, Pay and Personnel Systems (N11) POC will establish e-mail communications to initiate CP payment.

g. Servicing personnel support detachment (PSD) or personnel office will ensure one of the three entries below is reflected in the remarks section on DD-214 Certificate of Release or Discharge from Active Duty for members covered under BRS to reflect the member's CP decision.

"Blended Retirement System - continuation pay eligible as of (DDMMYY), not elected."

or

"Blended Retirement System - continuation pay eligible as of (DDMMYY), election made (DDMMYY) for lump sum payment. Continuation pay received (DDMMYY)."

or

"Blended Retirement System - continuation pay eligible as of (DDMMYY), election made (DDMMYY) for installment payments. # of # continuation pay installments have been received (DDMMYY)."

h. Navy Reserve activities will validate SELRES CP eligibility and release CP authorization to DFAS.

i. Command career counselors (CCCs) will:

(1) Brief members in their command on their eligibility for CP and the obligation it entails.

(2) Enroll member via permanent NAVPERS 1070/613 within the Navy Personnel System and forward to NAVPERSCOM (PERS-8) or servicing PSD for processing if member is unable to elect CP via Navy Personnel System. NAVPERS 1070/613 will include:

(a) Date of CP eligibility; and

(b) Acknowledgment of the service obligation attached with accepting CP.

(3) Identify opt-in eligible members who are eligible for CP in 2018. If the member would like to elect CP, CCCs will aid those members in the CP election process.

(4) Ensure Ready Reserve members eligible to elect CP while on active duty are aware of their eligibility. In addition, CCCs must be aware of the requirement to contact COMNAVRESFORCOM (N11) at e-mail: [cnrfc\\_bonus\\_shop@navy.mil](mailto:cnrfc_bonus_shop@navy.mil) or phone: (757) 322-2643/2262 in order to initiate CP payments.

j. Member. The member is ultimately responsible for electing CP via the Navy Personnel System and ensuring receipt of CP. Ready Reserve members on active duty must also be aware of the requirement to contact COMNAVRESFORCOM (N11) at e-mail: [cnrfc\\_bonus\\_shop@navy.mil](mailto:cnrfc_bonus_shop@navy.mil) or phone: (757) 322-2643/2262 in order to initiate CP payment.

4. **Eligibility.** The following members are eligible to receive CP:

a. AC and FTS. Any member who is covered under the BRS, and:

(1) Has no more than 12 years of service in a uniformed service as computed from that member's pay entry base date (PEBD); and

(2) Agrees to serve in the AC or FTS, based on their current service, for an additional 4 years.

b. RC (except FTS). Any member who is covered under the BRS, and:

(1) Has completed not more than 12 years of service in a uniformed service as computed from that member's PEBD; and

(2) Is a member of the SELRES or otherwise a member of the Ready Reserve in a status in which the member is eligible to receive basic pay or inactive duty pay for 4 years (Individual Ready Reserve members on active duty orders would be required to obtain a SELRES quota through Career Waypoints for enlisted members and through Commander, Navy Recruiting Command for officers in order to fulfill the obligation in a SELRES status), as computed from that member's PEBD; and

(3) Agrees to serve in the SELRES for an additional 4 years of obligated service.

c. Members who have submitted a request to separate or have separation orders are not eligible to receive CP.

d. Members who have previously received CP are not eligible to receive CP a second time.

5. **Notification.** It is the member's responsibility to submit a request for CP prior to reaching 12 years of service from the member's PEBD. Members must ensure their e-mail address is accurate within the Navy Personnel System. The Navy Personnel System will send notifications to BRS-eligible members first at 6 months and then at 90 days prior to the CP date reminding members that they are coming up on the CP election deadline. If the CP election is not in a complete status, a final e-mail will be sent (to the e-mail address registered in the Navy Personnel

System) to the member 1 month prior to the CP date based on member's PEBD.

6. **Election**. Members who request CP must make that request prior to reaching 12 years of service.

a. Upon reaching 12 years of service, the member's decision to elect CP is irrevocable.

b. Members who have passed 12 years of service are not eligible to receive CP.

c. Members who have transferred from other Services and have not previously received CP are eligible to receive CP if they meet all other eligibility requirements.

d. **Opt-in Eligible Members.** Opt-in members who are eligible for CP in 2018 will have an abbreviated time period to elect CP if they choose to opt-in to BRS. In such cases, if unable to elect CP via Navy Personnel System, members must use permanent NAVPERS 1070/613 to elect CP. Opt-in eligible members must still elect CP prior to reaching 12 years of service.

e. Members unable to elect CP via Navy Personnel System must use permanent NAVPERS 1070/613 to elect CP.

7. **Obligated Service**. A member who accepts CP will enter into an agreement with the Navy to serve 4 years of additional service in their respective component, commencing on the 12<sup>th</sup> anniversary of the member's PEBD. This obligated service will run concurrently with any other service obligation, unless other service obligations incurred specifically preclude concurrent obligations.

a. AC and FTS members must complete the obligated service as set by CNO (N1) without an absence, unless granted an authorized period of absence by NAVPERSCOM (PERS-8). Failure to fulfill the obligation must result in repayment of unearned CP.

b. SELRES members must complete the obligated service as set by CNO (N1) without an absence, unless granted an authorized period of absence by CNRFC. Failure to fulfill the obligation must result in repayment of unearned CP.

8. **Payment**

a. Members have two options for CP payment:

(1) Lump sum; or

(2) In a series of equal installment payments, not to exceed four annual payments occurring over 4 consecutive years.

b. The effective date of payment will be the 12th year anniversary of a member's PEBD. Members must elect CP prior to reaching 12 years of service. The payment of CP will occur after 12 years of service.

c. The pay scale used to calculate the CP will be the "over 12 years of service" monthly basic pay.

d. Combat zone tax exclusion (CZTE) withholding rules apply to those members whose gross compensation qualifies for the CZTE under provision in reference (e) and reference (f), volume 7a, chapter 44. CZTE withholding rules will apply to all payments proceeding from the CP agreement based upon the member's qualification for CZTE at his or her CP date.

9. **Repayment**. In general, members who elect CP but do not complete the obligated service will have the unearned portion of CP recouped. Members who are unable to complete the obligated service due to disability or death (not caused by misconduct) will not have to repay the unearned portion. When a member does not complete the obligated service, NAVPERSCOM (PERS-8) will determine if a debt should be established for AC and FTS. CNRFC will determine if a debt should be established for SELRES. Full and partial recoupment provisions are governed by reference (f), chapter 2 of Volume 7A. Recoupment will be pursued to the maximum extent possible. Remission requests must be adjudicated per all existing authorities and policies.
