Article is an overview for the enlisted component change and augmentation programs. The information for the Full-Time Support Program for enlisted personnel was removed and incorporated into MILPERSMAN 1001-021.

- The title was updated from “Full Time Support (FTS) Enlisted Program” to the title above
- Inserted BUPERS-32 as a joint responsible office
- Updated references
- **Para 1**, removed “It is open to both male and female personnel”
- Article has been revised throughout and should be reviewed in its entirety
