SUMMARY OF CHANGES

The NEC manual is published quarterly (JAN, APR, JUL and OCT) to provide updated NEC information in a timely manner. Changes (establishments, revisions, disestablishments) to NEC codes identified by the code numbers listed below were made in this revision. Revised NEC codes are those for which a significant change was made (title change, description, course information, sequence code, source rating, component NEC and note). Specific revisions to all chapters of the manual are identified with yellow highlighted print.
