A Closer Look at the DRUG ABUSE EPIDEMIC

PRESCRIPTION FOR DISCHARGE
Zero Tolerance. Infinite Risk.

50% of all prescription drugs taken in the U.S. are misused in some way.

Military doctors prescribed over 4x as much pain medicine in 2009 compared to 2001.

Misuse of prescription medications is illicit drug use and is therefore always illegal.

Prescription drug abuse causes 1 DEATH every 19 MINUTES in the U.S.

Almost 3 of every 4 prescription drug abusers report getting their medications from a FRIEND or FAMILY member in some way.
