You’ve worked hard for your career as a Sailor. Only one-third of 17- to 24-year-olds in the United States are even eligible for Navy service, and even fewer are capable of enduring the physical and emotional challenges of being a Sailor. From boot camp to advancement exams, job training and deployments, you have met these challenges with hard work, sacrifice and dedication.

Making responsible drinking choices is an extension of that dedication. Just one bad decision while drinking alcohol can jeopardize everything you’ve earned. Sailors involved in alcohol incidents face serious consequences, including:

- Loss of rate or pay
- Separation from the Navy
- Civilian consequences, such as fines and jail time

Irresponsible drinking not only threatens your health and career, it threatens the Navy’s ability to be mission-ready.

**DRINK RESPONSIBLY, EVERY TIME:**

- Plan ahead for a safe ride home.
- Don’t try to “keep up” with others.
- Know your limit, before you get there.
