1. References (a) through (d) define Continuation Pay (CP) and its elements. Navy members who are enrolled in the Blended Retirement System (BRS) may be eligible to receive a one-time payment at 12 Years of Service (YOS) as calculated from that member's Pay Entry Base Date (PEBD) and upon acceptance of the member's agreement to obligate for 4 additional YOS. Unless exceptional circumstances exist, members must perform additional obligated service in the Navy component in which they were serving at the time of the agreement. CP is in addition to any other career field-specific incentives or retention bonuses. Navy members who have not elected CP prior to 12 YOS are not eligible to receive CP. Navy members who will reach 12 YOS in Calendar Year 2018 (CY18) must opt-in to the BRS prior to reaching 12 YOS to be eligible to receive CP.
2. Total Active Component (AC) CP for CY18 is 2.5 times the monthly basic pay for a member of that grade who has reached 12 YOS.
3. Total Full-Time Support (FTS) CP for CY18 is 2.5 times the monthly basic pay for a member of that grade who has reached 12 YOS.
4. Total Selected Reserve (SELRES) CP for CY18 is 0.5 times the monthly basic pay of a member of that grade who has reached 12 YOS.
5. Obligated Service. A member who accepts CP and enters into an agreement will serve 4 years of additional service, commencing upon acceptance by the Navy. This obligated service will run concurrently with any other service obligation, unless other service obligations incurred specifically preclude concurrent obligations.
