1. In accordance with the references, the following information is provided for conducting a hearing into the pretrial confinement of _____. I hereby request the continuance of pre-trial confinement pending a special court martial for the violations listed below. Private _____ has demonstrated a continued lack of regard for military authority and his/her violations of the Uniform Code of Military Justice clearly indicate he/she will continue to engage in serious criminal misconduct if he/she remains unconfined. Further, lesser forms of restraint have been tried and have proven inadequate to prevent continued misconduct. On _____, I signed a confinement order to place Private _____ in pre-trial confinement. My continuing concern is the seriousness of the offenses to which he/she is charged and the concern that he/she will immediately return to continued criminal misconduct if released.
