NWU Updates

Command Patch
A command patch may be worn in lieu of the Don't Tread on Me (DTOM) patch. Colors must be subdued to emulate the NWU aesthetic, and match the dimensions of the DTOM patch. Simultaneous wear of the patch and the right breast patch is NOT authorized. This is an optional item and cannot be mandated for wear. All designs must have Commanding Officer's approval.

NWU Parka Fleece Liner and Black Gloves
Effective immediately, black leather or black non-leather gloves are authorized for wear with the NWU Parka fleece liner during appropriate weather conditions.

NWU Type III Rank Insignia
Effective June 1, 2019, NWU Type III captain (O-6) rank insignia will be available for purchase and optional wear in silver thread. The silver thread eagle provides improved visual recognition and distinction between O-6 and E-4 Sailors wearing the NWU Type III. The silver O-6 rank insignia may be worn in non-tactical environments only. Wear in environments that require concealment or camouflage clothing is prohibited.

Introduced in NAVADMIN 208/15, the CWP will be issued to new accessions in April 2019 at RTC Great Lakes. The CWP is worn with Service and Service Dress Uniforms only.
