

***The Board of Inspection and Survey  
(INSURV) is looking for highly motivated  
transitioning Navy personnel to join the  
Navy's Premier Material Inspection Team.***

INSURV conducts material inspections of all Navy vessels every three years; Trials of new construction vessels; inspections of Boats and Craft; and audits of maintenance processes. Inspections occur around the World, and in every Fleet Concentration area.

### **FEDERAL JOB**

Inspectors are hired as Marine Surveyors (OPM series 0873) and start at the GS-12 level. Inspectors travel frequently, usually Monday through Friday, and occasionally on a weekend to support overseas inspections. Employees are on a Maxi-Flex schedule. Permanent Telework options are available to interested, qualified candidates who prefer to live outside the Hampton Roads area.

INSURV is looking for subject matter experts with deck-plate leadership experience in the following areas:

**Supply & Habitability:** Food service equipment, and related mechanical and electrical safety. Navy habitability, ship configuration and sanitation.

**Air Warfare:** AEGIS (AW/BMD) AN/SPY-1B/D, MK 99 AN/SPG-62 Fire Control System Radar systems, Aegis Weapon System (AWS) support systems (Dry Air, Cooling Skids, 400 Hz), Aegis Computer Network Technician (ACNT) AEGIS Command Decision Display and Computer/Peripheral associated systems.

**Communications:** Lightweight Comm Antennas (OE-401, OE-406, OE-407, OE-409, etc...), Dipole antennas (AS-1735, AS-390, AS-2809, etc.), antenna transmission lines, antenna VSWR requirements, UHF line-of-site, UHF SATCOM and VHF systems

**Weapons & Undersea Warfare systems:** Navy Missile, Gun, and ancillary systems (VLS, GMLS Mk 29, RAM, CIWS, 5"/54, 25mm Mk38, Tomahawk, Harpoon, Magazine Sprinkler systems and AMMO Handling equipment).

Sonar Detecting-Ranging Systems (AN/SQS-53 variants, Dome Pressurization, and Cooling System), Towed Sonar systems, Underwater Fire Control systems (MK 32 SVTT Torpedo, MK 116, Control Panel MK 309 systems).

***\*\*\* Veteran hiring options include 30% DAV by-name, VRA and VEOA.  
Direct Hire (DHA) is also available. INSURV has submitted 180-Day  
waiver for recent retirees \*\*\****
