# Cybersecurity - DoD continues to focus on elevating cybersecurity in the DoD Supply Chain

Office of the Under Secretary of Defense for  
Acquisition & Sustainment  
Cybersecurity Maturity Model Certification

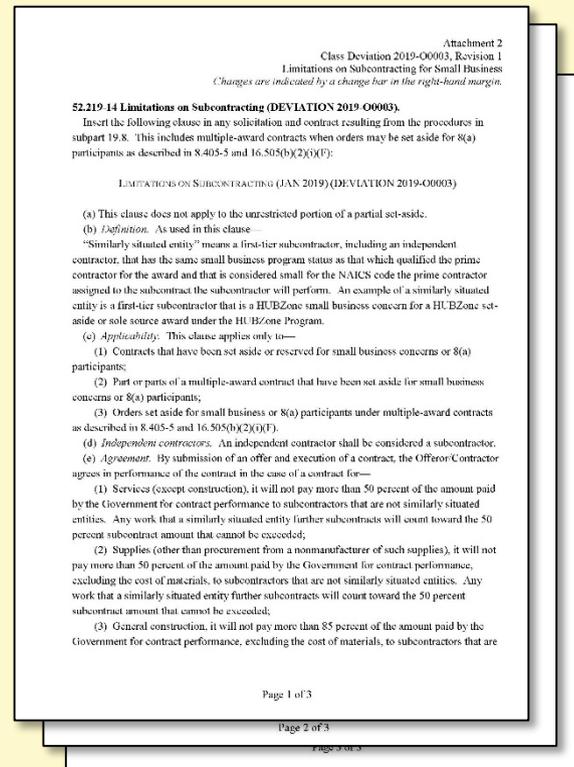

<https://www.acq.osd.mil/cmmc/index.html>

- ▼ Implementing DFARS Clause 252.204-7012, Safeguarding Covered Defense Information and Cyber Incident Reporting
  - The Department is committed to working with the Defense Industrial Base (DIB) sector to enhance the protection of controlled unclassified information (CUI) within the supply chain.
  - OUSD(A&S) is working with DoD stakeholders, University Affiliated Research Centers (UARCs), Federally Funded Research and Development Centers (FFRDC), and industry to develop the Cybersecurity Maturity Model Certification (CMMC). For a given CMMC level, the associated controls and processes, when implemented, will reduce risk against a specific set of cyber threats.
  - Cybersecurity Maturity Model Certification (CMMC)
    - Review and combine various cybersecurity standards and best practices
    - Builds upon existing regulation by adding a verification component to cybersecurity requirements
    - Intent is for certified independent 3rd party organizations to conduct audits and inform risk

# Implementation of Limitations on Subcontracting

- ▼ Market Research
  - NAVWAR Updated Market Research Template
- ▼ FAR 52.219-14 Limitations on Subcontracting for Small Business (DEVIATION 2019-00003) Defines Similarly Situated Entities (SSE)
  - First Tier subcontractor that has the same small business program status
  - Applies to orders or contracts that have been set aside or reserved for small business concerns (Assessed at order level)
  - Services – it will not pay more that 50% of the amount paid by the Gov't for contract performance to subcontractors that are not SSE.
  - Any work that a similarly situated entity further subcontracts will count toward the 50% subcontract amount that cannot be exceeded
