Subj: EMERGENCY ACTION PLAN

Ref: (a) NSGLINST 3440.17 (Series), Naval Station Great Lakes Emergency Management Program

Encl: (1) Emergency Response Procedures for Building 1

1. **Purpose.** To provide policy, guidance and responsibilities for implementing a comprehensive Emergency Action Plan (EAP) within Naval Service Training Command (NSTC) at Great Lakes, Illinois, in accordance with reference (a).

2. **Scope and Applicability**

   a. **Scope.** This instruction applies to Naval Service Training Command personnel at Great Lakes, Illinois. It covers Navy emergency management activities, including all internal efforts of prevention, mitigation, preparedness, response, and recovery from natural or man-made disasters as defined within reference (a).

   b. **Applicability.** This instruction applies in peacetime, Military Operations Other Than War (MOOTW), and wartime conditions. This instruction is applicable to Navy personnel, to include active and reserve components, Navy civilians, transient military or U.S. Government personnel, contractor personnel, visitors, guests, and third country national personnel, as assigned. NSTC personnel located in Building 3400, United States Military Entrance Processing Command (USMEPCOM) Headquarters, shall comply with the emergency response procedures outlined in the USMEPCOM Emergency Action Plan.

3. **Background.** The EAP shall serve as the principle method within NSTC Great Lakes for implementing the shore installation preparedness and defense guidelines/standards directed by reference (a).
4. Policy
   
a. The primary objectives of the EAP are to:
      
      (1) Protect personnel within the NSTC Great Lakes Area of Responsibility (AOR).
      
      (2) Sustain Command Mission Essential Functions (MEF).
      
      (3) Restore Command MBPs post-event.

   b. Enclosure (1) outlines Emergency Response Procedures to be followed by personnel within NSTC HQ Building 1 in any event requiring evacuation or sheltering-in-place (SIP).

5. Responsibilities
   
a. Commander, NSTC Great Lakes shall:
      
      (1) Designate an Emergency Response Coordinator (ERC) in writing in accordance with this instruction.
      
      (2) Maintain open communication with Commanding Officer, Naval Station Great Lakes (NSGL) regarding needed assistance during emergency events.

   b. The ERC shall:
      
      (1) Report to Commander, NSTC on all matters concerning emergency response or preparedness.
      
      (2) Ensure emergency response procedures are developed and approved by Commander, NSTC as required.
      
      (3) Serve as NSTC Great Lakes representative on NSGL Emergency Management Working Group (EMWG) and the Installation Training Team (ITT).

   c. The NSTC Flag Duty Officer (FDO) shall:
      
      (1) Maintain situational awareness of weather conditions and warnings obtained from radio/television news services or the NSGL CDO and notify all required levels within the command of the warning and preventive actions to be taken.
(2) Receive reports, as applicable, within the NSTC Great Lakes AOR during emergency events, to include status of personnel mustered and damage to structures.

(3) Make reports to the NSGL Emergency Operations Center (EOC) and Commander, NSGL, as applicable.

6. Effective Date. This instruction is effective immediately.
