COMNAVRESFOR INSTRUCTION 5760.2F

From: Commander, Navy Reserve Force

Subj: POLICY AND RESPONSIBILITIES CONCERNING NAVY SEA CADET CORPS AND NAVY LEAGUE CADET CORPS

Ref: (a) OPNAVINST 5760.5C
     (b) BUPERSINST 1001.39F
     (c) MANMED Chapter 15

1. Purpose. To implement references (a) through (c), and establish policy and responsibilities in support of the Navy Sea Cadet Corps (NSCC) and Navy League Cadet Corps (NLCC) program amongst Navy Reserve Force activities.

2. Cancellation. COMNAVRESFORINST 5760.2E.

3. Background. The NSCC was established by the Navy League of the United States in 1958 at the request of the Department of the Navy, as a volunteer, nonprofit training organization for young people ages 14 through 17. At the same time the Navy League established the NLCC as a junior program to meet the needs of younger people, ages 11 to 14. Commander, Navy Reserve Force designated Commander, Navy Reserve Forces Command to perform duties of NSCC and NLCC coordination and administration.

4. Objectives. The Navy supports the NSCC and NLCC as part of its overall effort to create a favorable image in the minds of American youths.

5. Policy. Reference (a) provides the Department of the Navy's policy to support Navy youth programs to the maximum extent possible within limits of available resources; and to the extent that this participation will not interfere with assigned military missions. Navy youth programs afford equal opportunity for participation to all American youths without regard of race, color, sex, creed, or national origin.

6. Support. Commanders and Commanding Officers of Navy Reserve Component Commands, Navy Operational Support Centers (NAVOPSPTCENs), and Naval Air Facilities (NAF) will cooperate with local Navy League councils, their Sea Cadet committees, local NSCC and NLCC units, field representatives, and Regional
Directors of the NSCC in their efforts to establish and maintain the NSCC and NLCC Program. This cooperation is to include the following:

a. Publicize and encourage participation in the NSCC and NLCC local and summer training program by active and inactive duty personnel. Qualifications, benefits, and training of the NSCC are described in reference (a).

b. Issue permissive no-cost Temporary Additional Duty orders to Navy personnel per reference (a).

c. Issue non-pay orders to Navy Reservists participating in an approved NSCC and/or NLCC program per reference (b).

d. Per reference (b), issue annual training orders as appropriate for support of NSCC recruit training, provided it does not interfere with required mobilization training.

e. Ensure participating service member volunteers have appropriate comments included in their fitness reports and performance evaluations. For dual-affiliates, a concurrent fitness report would be in order. Letters of recognition for enlisted members are encouraged, as well as consideration of the Military Outstanding Volunteer Service Medal.

f. Per reference (a), allow the use of military berthing facilities on a space available basis by personnel of the NSCC/NLCC for the purpose of drilling. Facility use shall not interfere with the primary mission or cause undue interference with normal activities, and standard rates will be charged.

g. Render medical care, per reference (c), on a temporary (emergency) basis until disposition can be effected for members of the NSCC and NLCC who are injured or become ill while participating in Navy or Marine Corps sponsored sports, recreational, or training activities.

h. Navy Reserve Force units with medical officers and/or physician assistants and Navy Reserve Force activities with active duty medical officers will provide medical examinations for NSCC and NLCC applicants on a not-to-interfere basis. This physical may be of the high school “sports physical” type. Blood work and urinalysis work ups are not required. Genitalia examination is not required. The results of the examination will be recorded on the Report of Medical History (NSC-5A (Rev. 3/88)) and Report of Medical Examination (NSC-5B (Rev. 2/98)) and provided to NSCC and NLCC Commanding Officers for filing.
the cadet's service jacket. Medical personnel will also examine and certify cadet's physical fitness to participate in 2 week training periods per reference (c).

i. Per reference (a), Commanding Officers of Navy Reserve Force activities are to assist, as requested, in coordination of orientation flights and daylight and overnight cruises for cadets.

j. Per reference (a), assist NSCC and NLCC leaders in obtaining appropriate excess and surplus uniforms.

k. Per reference (a), provide messing, as available, to NSCC and NLCC personnel.

l. Provide facility space, if available, for NSCC and NLCC units/files, uniforms, and storage of NSCC/NLCC equipment. Assignment of unit administrative spaces is strongly encouraged where available.

7. Action. Commanders and Commanding Officers of Navy Reserve Readiness Commands, NAVOPSPTCENs, and NAFs are directed to implement the provision of this instruction as applicable. The following administrative procedures shall be followed:

a. Commanders and Commanding Officers of Navy Reserve Readiness Commands, NAVOPSPTCENs, and NAF will designate an active duty Officer or Chief Petty Officer at their activity as NSCC and NLCC liaison officer within their command.

b. Monitor and inspect, as requested, NSCC and NLCC unit training.

c. Medical forms shall be stocked by the local Navy Reserve activity.

8. Forms. NSC-5A (Rev. 3/88), Report of Medical History, and NSC-5B (Rev. 2/98), Report of Medical Examination, may be obtained from Navy Sea Cadet National Headquarters, 2300 Wilson Boulevard, Arlington, VA 22201-3308.
