Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO – ViaSat, Carlsbad, Calif., is being awarded a \$31,467,541 firm-fixed-price delivery order for Multifunctional Information Distribution System Joint Tactical Radio Systems.

Work will be performed in Carlsbad, California, (47 percent), Melbourne, Florida (15.8 percent), Gilbert, Arizona (14.2 percent), and other U.S. sites (23 percent). It is expected to be completed by February 2014.

No contract funds will expire at the end of the current fiscal year.

This contract is the result of a limited competition with two solicited proposals; two offers were received via the SPAWAR E-commerce web site. The synopsis was released via the Federal Business Opportunities web site.

The Space and Naval Warfare Systems Command in San Diego, Calif., is the contracting activity (N00039-10-D-0032).
