Pet Importation & Requirements for Japan

Owners are responsible for the shipment of pets arriving, departing, and within Japan. This includes all matters associated with travel arrangements, shipping requirements, and costs for their pets.

Japanese Animal Quarantine Service Regulations require that all animals entering Japan be examined to determine if they are free from communicable diseases. Animals found to be free from communicable diseases meeting entrance requirements may be released to the owner’s custody, subject to the restrictions discussed below.

As of 6 June 2005, Japan began enforcing a new quarantine program for import and export of animals and pets. Active duty military members, members of the civilian component and their respective dependents enter Japan under the US-Japan Status of Forces Agreement (SOFA). The SOFA sets forth rights and responsibilities applicable to US Forces individuals who enter Japan. The US Forces, Japan (USFJ) thus negotiated with the Government of Japan (GOJ) to resolve how this new pet quarantine program would affect SOFA status personnel. This memorandum provides guidelines and recommendations for SOFA status personnel assigned to Japan who will
be transporting personal pets into Japan.

There will be some differences between how the new Japanese pet quarantine program will be applied to SOFA status members and how it will apply to others. Due to these differences, the information on the new pet quarantine program published by the Government of Japan, the US State Department, the USDA, and the USFJ may differ. To minimize any inconvenience which might otherwise be experienced, we recommend following the guidelines listed below. Do not hesitate to contact the installation veterinarians in Japan if necessary. All contact information may be found on the Public Health Command District – Japan website (http://www.usarj.army.mil/organization/vet/).

The USFJ Veterinarian offers the following recommendations to assist SOFA status personnel in the movement of their pets to Japan. Each item listed below is important and must be accomplished as soon as the military member is aware of movement to Japan. This will ease the transition and acceptance of the pets into Japan.

Ministry of Agriculture, Forestry and Fisheries (MAFF) quarantine inspectors and US Army Veterinary Command veterinarians will determine the length of each pet’s quarantine period when the pet arrives in Japan. The quarantine periods will range up to 180 days. All quarantine guidelines, necessary import forms, and contact information may be found on the Japan District Veterinary Command website:

USFJ has been able to champion “Home Quarantine” as a concession for US SOFA personnel. This quarantine allows service members to maintain their pets in their own custody within their assigned on-base quarters during the assessed quarantine period. Personnel who are most affected are SOFA members who are required to live in off-base housing. If a quarantine period is assessed, military members who live off-base will be required to pay for quarantine boarding expenses for their pets in on-base kenneling facilities or incur the significant expense of quarantining their pet at the Airport Animal Quarantine Station facility.

Service members who may be required to kennel their pets for up to 180 days will incur a tremendous cost. The JFTR and the JTR provide limited reimbursement for quarantine costs for service members ($550) and DoD civilians ($500 to $1,000), respectively. Unfortunately, the majority of military pet owners serving throughout the world are in pay grades E-4 and below and may be challenged to afford those types of expenses. Additional Information:

1. Japanese Animal Quarantine Service regulations require that all animals entering Japan be examined to be free from communicable diseases. Animals that are found to be disease free will be released to the owner’s custody, subject to the following restrictions:
   a. Three (3) copies of the rabies vaccination certificate (DD208, the original and two copies) must accompany the animal during transit. The rabies vaccination must have been administered more than 30 days but less than 365 days prior to the animal’s entry into Japan.
   b. An animal that is less than 90 days old does not require a rabies vaccination, but will be placed in a Japanese or U.S. Forces quarantine facility. Upon reaching 90 days of age, the animal will be given a rabies vaccination and kept in a quarantine facility for a period of
Welcome Aboard Package for Yokosuka, Japan

30 days. After 30 days time, the animal will be released to the owner for a required “home quarantine.” (Note: Quarantine in Japanese facilities will be at the owner’s expense.) Please refer to the web site above or at the end of this section, for the latest information of pet quarantine periods.

c. Three (3) copies of the health certificate (DD2209, the original and two copies) must also accompany the animal during transit. The veterinarian who examines your pet issues this certificate, which must be dated within ten days before the animal’s arrival into Japan.

d. Important! If the rabies vaccination and/or the health certificates are obtained from an off-base or civilian veterinarian, you must take the original rabies certificate/health certificate to a Field Office of the U.S. Department of Agriculture (USDA). A USDA veterinarian must sign both certificates and place the USDA stamp on the back of each copy. The signature without the stamp is not valid for entry into Japan. Failure to have certificates stamped will result in quarantine until the stamp is obtained via U.S. Mail. GOJ authorities will not recognize an individual (state) department of agriculture stamp. The stamp must be USDA!

2. Companion animals arriving in Japan aboard commercial aircraft:

a. Companion animals that enter at a Japanese airport are to be picked up at the airport and processed through the Japanese Animal Quarantine Service at the airport.

b. Before the animal can be processed by the Animal Quarantine Service Personnel, the owner or authorized representative (via Special Power of Attorney) must fill out a Form 380EJ “Customs Free Import and Export of Cargo” or “Customs Declaration of Personal Property.” This form is available at the Customs Check Point upon entry.

c. Upon arrival at the Animal Quarantine Counter the Japanese personnel will initiate a Pet Quarantine and Examination Certificate (Form MDJ-270). Pet owners or their authorized representative (via Special Power of Attorney) must be able to provide the following information:

- military address (duty station)
- rank/rate
- duty phone
- temporary address

d. You will be required to sign this form stating you will present your pet for quarantine examination following the required period of “Home Quarantine” at a U.S. Forces Veterinary Office. Failure to present the animal for quarantine release may result in a fine of up to 50,000 Japanese yen (at 115 yen to the U.S. dollar, this is approximately $435.00).

e. Japanese Animal Quarantine Service Officials are on duty whenever flights are scheduled to arrive.

f. Additional information may be obtained upon arrival from the Yokosuka Veterinary Clinic, 243-6820/7081.

3. Pets are NOT allowed aboard the scheduled Navy shuttle buses. If you are arriving with your pet(s), you will need to arrange, perhaps with the assistance of your sponsor, alternate transportation to the base. For more information, email cfay_bus@fe.navy.mil
4. Most military families will reside at Temporary Lodging (Navy Lodge) for periods of up to 60 days while seeking housing on or off base. All rooms at the Navy Lodge are pet friendly. All kennel boarding fees, including the official assigned quarantine period, are the owner’s responsibility.

**NOTE:** Mandatory pet quarantine fees incurred by U.S. service members in connection with the mandatory quarantine of a household pet are reimbursable, not to exceed $550 per PCS move for pets in, or entering into, quarantine on and after 28 DEC 2001. (Ref. JFTR, par. U5805.)

- You can make reservations at the Navy Exchange Kennel by calling (DSN) 243-4530.
- From the U.S. call 011-81-46-816-4530.
- The hours at the kennel are M-F 0900-1500, Sat. 1000-1100, closed on Sundays.
- Japanese veterinarians also board animals, but the cost is high.

5. Military veterinary general and surgical care is available on a limited basis by appointment only. Surgical services are primarily for the control of animal population (spay/neuter), but other services may be available.

**NOTE:** IAW COMFLEACTINST 6200.1N, cats and dogs at Yokosuka require microchip implants.

6. Military veterinarians do not provide emergency care. You will be referred to an off-base veterinarian. Language barriers may present difficulties. The cost is also quite expensive.

The information in this section is always subject to change.

Children ages 17 and under are not permitted to attend AOB/ICR Training, except those nursing. New arrivals with children should make childcare arrangements 30 days in advance, as there are a limited amount of spots available. Reservations are NOT made automatically. CYP childcare options on base are FREE to attendees through vouchers that are distributed following each day’s training. Additionally at least one parent must attend a CYP orientation prior to the child’s first attendance at a Child and Youth Program (CYP) facility. Couples may choose to attend AOB/ICR during alternate weeks in order to mitigate childcare concerns. Below is information to help families.

- Main Base Child Development Center (CDC) for ages 6 weeks-5yrs
- Main Base School Age Care (SAC) for grades K-12yrs
- Ikego Child Development Center (CDC) for ages 6 weeks-5yrs
- Child Development Home (CDH)-Ages vary per provider

Nursing Infant Waiver

Parents with nursing infants may request a waiver through the Fleet and Family Support Center prior to the start of AOB/ICR class week. This allows the parent to attend AOB/ICR class with infant. Please allow at least 10 business days for processing of the waiver.

Waiting Lists

Military families may be placed on a waiting list for child care when care is not available. Families may request child care by visiting MilitaryChildCare.com. This Department of Defense website serves all military families seeking child care and provides access to military-operated child care options world-wide. Families may search for and request care, manage their requests, and update their profile online, making it easier for them to find the child care they need.

* For children 6 weeks – 12 months, parents are to provide the following: diapers, wipes, and 2 changes of clothes. Please contact the CDC regarding food preparation policies.

** If 5 year old is already enrolled in school, child should go to School Age Care Center.

***Additional services offered by CYP include: Give Parents a Break:

Military families are subject to unique stressors associated with military life, including deployments, remote tours of duty, and extended working hours. The "Give Parents a Break (GPAB)" program is designed to give family members a short break from parenting in order to help them deal with these types of stressful situations, and enjoy a night out with friends. For more information, please contact Yokosuka Child Development at 243-3219 or the Ikego Child Development at 246-8060 or visit us at https://www.facebook.com/yokosukacyp.
Youth AOB/ICR (optional)

Moving to a new place can be overwhelming to anyone. FFSC provides a youth support group to help children transition to Japan: their new school, home, and environment. This class gives students an introduction to the Japanese culture and customs. It also includes a brief presentation on the rules and regulations. These optional trainings are offered for Elementary, Middle School and High School students. For a schedule of upcoming dates and to reserve a seat, contact FFSC.

What To Do At The Airport

Yokota Air Force Base (arriving via an Air Mobility Command (AMC) flight)

AMC flights from the U.S. arrive often in Yokota Air Force Base (AFB). Navy buses are assigned to transport passengers to Commander Fleet Activities Yokosuka (CFAY).

Scheduled AMC flights typically arrive at Yokota AFB about 0700, with the actual time always subject to change. Navy buses usually depart Yokota AFB for CFAY about two hours after flight arrival and will be adjusted according to the actual arrival time if different than scheduled. Priority will be given first to service members (and families) traveling on PCS Orders. The bus ride averages between 2-3 hours, but may vary due to traffic. At the present time there is no Navy Liaison Office in the Yokota AFB AMC passenger terminal. The Army/Air Force Liaison or the Terminal Information Counter can provide information and assistance.

Narita International (via commercial airlines)

These directions are based on arrival at Terminal One, because that is the terminal from which the Yokosuka-bound buses depart. If you arrive at Terminal Two, take the free Airport Shuttle Bus to Terminal One from either bus stop 8 or 18 outside the terminal. For information regarding lost luggage, please read the Lost Luggage section below.

From Terminal One: Follow the signs inside the terminal to the Arriving Passenger area. Walk past the Medical/Quarantine desk (if you have pets, stop here and ask for assistance). Continue around to the immigration desk. Stand behind one of the lines marked Foreign Passports (you may have to wait in a single line; if so, an agent will tell you which passport window to approach.) Be sure to complete both sides of the immigration paperwork that was given to you on the plane before getting into the passport line.

Present your passport and/or ID card, a copy of your orders, and your completed paperwork to the Immigration Officer behind the desk. Make sure the Officer stamps your passport (and each of your family members' passports) with the CORRECT entry stamp. The small square stamp clearly states:

----------------------------
Under Status of Forces Agreement
Entered Japan: Date:
Port:
Immigration Inspector:
----------------------------

This mark is then over-stamped with the immigration officer's date stamp.

With your stamped paperwork, proceed through the gate and down the stairs to the baggage claim area. Pick up your luggage and proceed to one of the long counters marked "Non-Resident" for Customs inspection.
**Lost Luggage**

If you cannot find your luggage in the baggage claim area, immediately contact one of the Baggage Claim Customer Service Representatives. Generally, at least one of the Representatives on duty will speak English. Provide your flight information and your baggage claim ticket stubs. Use the following as a local address for delivery of your luggage to the base at no charge to you:

238-0001
Kanagawa-ken Yokosuka-shi Honcho 1-Banchi
Yokosuka US Navy Base (in Japanese: Bei Kaigun Yokosuka Kichi)
Phone number: 046-816-1110 (Base Operator)

You will also need to identify a point of delivery and phone number within the base. This might be the name of your initial lodging or your duty station, but it should be a place that is accessible 24 hours a day. Some examples are:

- Navy Lodge (base phone 243-6708; local 046-816-6708)
- NGIS (base phone 243-5685, local 046-816-5685)
- USS <name of your ship> (*only if you know your ship is in port!)

After providing the required information (above) to the Customer Service Representative, you will be given a receipt or card with contact phone numbers. The receipt/card will have instructions for you to call to check on your luggage after a specified time.

There is little else you can do except to continue with the arrival process: get to the base, relax, and take stock of what you have on hand. When found, your luggage should arrive at the place you designated within a day or two. Most who have gone through this experience report luggage delivery well in advance of the suggested call-back time on the receipt/card.

**HERE’S A TIP:** To prepare for the unlikely situation described above, pack a carry-on bag for yourself (and each family member, if necessary) with at least one change of clothes, and two changes of socks and underwear. Basic toiletries can be obtained on base at the main NEX Mini-Mart (near billeting) or Auto Port Mini-Mart (near the Navy Lodge.) You might also consider a light sweater, wind breaker, or jacket, depending on the season. Packing a lightweight travel umbrella might not be a bad idea either.

**********

After completing Japanese Immigration and Customs formalities, exit into the arrival lobby.

- **South Wing** Arrivals of Terminal One (on United Airlines or other Star Alliance carrier): follow directional signs (or ask for directions) through the Central Wing and into the North Wing. The Official DoD Transportation Liaison Desk is at the far end of the North Wing next to a coffee/snack stand.
- **North Wing** Arrivals of Terminal One: the Official DoD Transportation Liaison Desk is almost directly across from the LEFT-most exit into the arrival lobby.
- If you have arrived at **Terminal Two**, take the free Airport Shuttle Bus to Terminal One from bus stops number 8 or 18 in front of the terminal. Enter Terminal One and follow the directions above to the DoD Transportation Liaison Desk in the North Wing.
A *small* sign identifies the DOD Transportation Liaison Counter/Desk, which is very small, not very well marked, and may be moved by the Narita Airport Authority at any time without notice. It has been set up this way for good reasons: OPSEC and personnel safety. Keep your eyes open and concentrate on finding it as you can look around the airport later. Please note that regardless of what might be written in your orders, the military transportation liaison IS NOT located at the Northwest Airlines information counter.

The Transportation Liaison on duty periodically escorts groups to the military buses in the parking area, so don't worry if no one is there when you arrive. Signs at the desk will explain departure times to the various bases and the location of the parking area. A phone is available to contact your duty station or SPONSOR. A phone number list for each base/operator is also available.

If you have made arrangements to be met at the airport (STRONGLY RECOMMENDED), either by your SPONSOR or a command representative, the DoD Transportation Liaison Counter is a convenient place to meet. Exit doors to the street and buses are nearby. If no one is meeting you, make arrangements with the DOD Transportation Liaison (usually a US civilian) for bus transportation to Commander, Fleet Activities, Yokosuka (CFAY). The Transportation Liaison will escort all passengers to the correct bus prior to departure. The liaison on duty represents all branches of the military services. Ikego Home to Work Shuttle Bus and Narita Airport Shuttle Bus departs Terminal One at 1530, 1730 and 1930 daily. These are coach buses run 365 days a year with a maximum seating capacity of 41 passengers. In the event that Yokosuka Base is placed in a HEIGHTENED FORCE PROTECTION status, government transportation to Yokosuka MAY BE LIMITED TO MILITARY PERSONNEL AND FAMILY MEMBERS OF MILITARY PERSONNEL ONLY, with approximately the same departure times.
Reservations are strongly encouraged (visit http://www.cnic.navy.mil/regions/cnrj/installations/cfa_yokosuka/about/installation_guide/getting_here/narita_airport_shuttle_bus.html or email cfay_bus@fe.navy.mil). However, if there were no reservations listed on the driver’s manifest, seats would be given on a first-come-first-served basis. Passengers need to provide two types of photo ID, one of which MUST be a Military Identification Card.

**PETS may not be brought aboard the Navy shuttle buses.** If you are arriving with your pet(s), you will need to coordinate with your sponsor at your gaining command for alternate transportation. For more information, email cfay_bus@fe.navy.mil

There is a charge to utilize government transportation between Narita to Yokosuka, for personnel under orders only (including TAD orders.) This charge DOES NOT come out of your pocket; it is charged against your orders. MAKE SURE you have an extra copy of your orders to give to the transportation liaison on duty. The actual amount charged against your orders is currently about $34 per person. Space available passengers do not have to pay the transportation charge out of pocket to ride the airport bus, but neither are they guaranteed a seat.

Personnel (and family members) under PCS or other official orders have priority for seating on the buses. You or your sponsor can (and SHOULD!) make advance reservations for the bus by calling locally 243-7777, DSN 315-243-7777, or Commercial 011-81-46-816-7777. Provide the number of people in your party, the flight number, and the date and time of your arrival. Be prepared to fax a clear copy of the following documents to the bus reservations clerk: PCS orders; Family Entry Approval letter; Travel document showing arrival date. The DSN fax number is 315-243-9594. The commercial number is 011-81-46-816-9594.

Changing rooms and American style restrooms are available in the terminal. There is also an observation deck, a convenience store, a variety of Japanese fast food stands, and restrooms on the shopping mall levels of the Central Building in Terminal One. All shops and services in Narita Airport terminal buildings require payment in Japanese currency (Yen). There are currency exchange services on the first floor of Terminal One in the arrival lobby. There is another currency exchange in the departure area on the third floor. (Beware! If you exchange money in a U.S. airport prior to your departure, you will probably not get a very good exchange rate.) There is no USO facility at Narita.

**Note:** Upon arrival at Yokosuka Base, the bus driver is authorized to drop off passengers only at PSD and the Navy Lodge. Arriving passengers who do not have Navy Lodge reservations in advance should get off the bus at PSD. If your SPONSOR cannot meet you at the airport, PSD is a very convenient place to be met.
How to Present a Positive Image to Our Japanese Hosts

When in Public
- Please refrain from smoking on public transportation. Some long-distance trains permit smoking, but local buses and trains do not.
- Converse in a low to moderate voice when in public. Yelling or loud conversations disturbs and frightens our hosts.
- Additionally use earphones with portable stereos, and keep your car’s stereo volume down when your vehicle windows are open.
- Loud and raucous behavior in public is not acceptable. The Japanese are very sedate people as a whole. Boisterous behavior is equated with hooliganism and trouble.
- While the Japanese populace has been exposed to English Language study in school, they generally are not conversationally proficient. Be patient, talk slowly and clearly, and you will eventually acquire the information you seek.
- Try to use some Japanese words or phrases in dealing with our hosts. They appreciate our effort, and respect our taking the time to try to learn their language.
- Observe how the Japanese do things. “When in Rome do as the Romans do” can very well be applied to Japan.
- Unacceptable behavior usually feels inappropriate when you’re doing it. Rely on your common sense. This is just one of the ways to show respect for the Japanese culture while you are here.
- Be polite and considerate. It is the way we expect foreigners to act when they’re visiting the U.S.

In Shops and Restaurants
- Remember, yen is the only current acceptable in Japanese establishments. They do not accept dollars, as in the case of some foreign countries you may have visited.
- Again, while bargaining is acceptable in some countries, in Japan this is not the norm. On large purchases, you may ask if there is any discount, or one may automatically be given to you.
- Don’t tip in Japan. It is not expected in restaurants or taxis, and in fact is considered an insult to most Japanese people.
- In some restaurants (and hospitals), you are expected to remove your shoes. So Always have your socks on when you intend to dine off-base. Such establishments will provide slippers for you to put on, upon removal of your footwear.

In a Japanese Home
- Always remember to remove your shoes before stepping up from the genkan (entry) area of a Japanese home into the house proper.
- Always remove your house slippers when you enter a tatami room in a Japanese home-bare feet or socks only on tatami mats.
- Be sure to lather up and rinse off thoroughly outside of a Japanese bathtub. The bath water should be reheated and reused by the entire family for a number of days before being drained.
Civilian Clothing Regulation/Policy

As ambassadors of the navy to Japan it is important to provide a positive image of our people and Navy. The dress code enforced by CNRJ provides a guideline to understand what is deemed appropriate for wear while out in Yokosuka. The below picture provides some examples of what is adequate, as described in COMNAVFORJAPANINST/COMNAVREGJAPANINST 1020.3C.
Eating and Dinning In Japan

In Japan, some restaurants and private houses are equipped with low Japanese style tables and cushions on the floor, rather than with Western Style chairs and tables.

A restaurant with traditional low tables

A DAMP TOWEL  Just after you sit down at the tables, you will receive a hot (or cold one in summer) damp, white towel called o-shibori. In a restaurant it is wrapped in plastic or is often served on a small oblong tray specially made for the o-shibori. Use the towel to wipe your hands. In less formal situations, Japanese men often wash their faces with the towels, but it is best not do this. Place the towel back on the tray. The o-shibori does not stay on the table throughout the meal and often, napkins are not supplied. It is advisable to keep tissue or handkerchief with you at all times.

ITADAKIMASU AND GOCHISOSAMA  In Japan, you say “itadakimasu” (“I gratefully receive”) before starting to eat, and “gochisaosama (deshita)” (“Thank you for the meal”) after finishing the meal.

INDIVIDUAL VERSUS SHARED DISHES  It is not uncommon in private households and in certain restaurants (e.g. izakaya) to share several dishes of food at the table rather than serving each person with his/her individual dish. In such a case, you are supposed to move some food from the shared plates onto your own plate by yourself, using the opposite end of your hashi, or chopsticks, (if you have used them already) or with special chopsticks that may be provided for that purpose.

CHOPSTICKS (HASHI)  The proper use of the chopsticks is the most fundamental element of Japanese table manners.
SOME OF THE MOST IMPORTANT CHOPSTICK (HASHI) RULES ARE:

- Hold your chopsticks towards the end, and not in the middle or the front third.
- When you are using your chopsticks and when you are finished eating, lay them down in front of you with tip to the left.
- Do not stick chopsticks into your food, especially not into rice. Only at funerals are chopsticks stuck into the rice that is put onto the altar.
- Do not pass food with your chopsticks directly to somebody else’s chopsticks. Only at funerals are the bones of the cremated body given in that way from person to person.
- Do not spear food with your chopsticks.
- Don’t point with your chopsticks to something or somebody.
- Do not move your chopsticks around in the air too much, nor play with them.
- Do not move around plates or bowls with chopsticks.
- To separate a piece of food into two pieces, exert controlled pressure on the chopsticks while moving them apart from each other. This needs much exercise.
- If you have already used your chopsticks, use the opposite end of your chopsticks in order to move food from the shared plate to our own plate.

Knife and fork are used for Western food only. Spoons are sometimes used to eat Japanese dishes that are difficult to eat with chopsticks, for example some donburi dishes or Japanese style curry rice. A Chinese style ceramic spoon is sometimes used to eat soups.

SOME TABLE RULES

- Blowing your nose in public, and especially at the table, is considered bad manners.
- It is considered good manners to empty your dishes to the last grain of rice.
- Talking about distasteful topics during or before a meal is not appreciated by most people.
- Unlike in some other parts of East Asia, it is considered bad manners to burp.
- After finishing your food, try to place all your dishes in the same way they were at the start of the meal. This includes re-placing the lid of dish (if it comes with one) and re-placing your chopsticks on the holder or into their paper slip, if applicable.

DRINKING RULES When drinking alcoholic beverages, it is a Japanese custom to serve each other, rather than pour the beverage into one’s own glass. You are to periodically check your friends’ cups, and serve them more once their cups are about to be empty. Likewise, if someone wants to serve you more alcohol, you should quickly empty your glass and hold it towards that person.

While it is considered bad manners to become obviously drunk in some formal restaurants, for example in restaurants that serve kaiseki ryori (Japanese haute cuisine), the same is not true for other types of restaurants such as izakaya, as long as you do not bother other guests.

Do not start drinking until everybody at the table is served and the glasses are raised for a drinking salute, which usually is “kampai”. Avoid using “chin chin” when drinking a toast, since these words refer to the male anatomy in Japanese. It is quite common for the Japanese to toast, usually with beer or sake. It recognizes a day’s event or acknowledges good efforts. If you do not drink alcoholic beverages, it is acceptable to toast with orange juice or even green tea. The important point is that your share in the group celebration.
HOW TO EAT

Rice:
Take the rice bowl in one hand and the chopsticks in the other. Lift it towards your mouth while eating. Don’t pour soya sauce over rice.

Sushi:
Pour soya sauce into the small plate provided. It is considered bad manners to waste soya sauce; try not to pour more sauce than needed. You don’t have to add wasabi into your soya sauce. The sushi pieces usually already contain wasabi, and some pieces are supposed to be eaten without wasabi. If you choose to add wasabi, nonetheless, use only a small amount in order not to offend the sushi chef. If you do not like wasabi, you can request that none is added into your sushi.
In general, you are supposed to eat a sushi piece in one bite. Hands or chopsticks can be used to eat sushi. For nigiri-zushi, dip the piece into the soya sauce upside-down with the fish part ahead. A few kinds of nigiri-zushi, for example, marinated pieces, should not be dipped into the soya sauce. For gunkan-zushi, pour a small amount of soya sauce over it, rather than dipping it into the sauce.

Sashimi:
Put some soya sauce into the small plate provided. Mix some wasabi into soya sauce, but do not add too much wasabi as this would overpower the taste of the raw fish (and possibly offend the chef). Use the sauce for dipping sashimi pieces. Some types of sashimi are enjoyed with ground ginger rather than wasabi.

Miso Soup:
Drink the soup out of the bowl as if it were a cup, and fish out the solid pieces with your chopsticks.

Noodles:
Lead the noodles with your chopsticks step by step into your mouth, while sucking them down in with a controlled slurping sound. Try to copy the slurping sound of people around you. When eating noodle soups, keep a small distance between the bowl and your mouth to avoid splashing. If a spoon is provided, use it to drink the soup; otherwise, lift the bowl to your mouth to consume the soup.

Kare Raisu: (And other dishes in which rice is mixed with sauce)
Kare Raisu (Japanese style curry rice) and other rice dishes, in which the rice is mixed with a sauce (for example), some domburi dishes) may be somewhat difficult to eat with chopsticks. Kare Raisu is often eaten with a spoon rather than chopsticks.
Big pieces of food:  
(e.g. prawn tempura) Separate the piece with chopsticks (This takes some practice), or just bite off a piece and put the rest back onto your table.

TABLE MANNERS

CHOPSTICKS Manny restaurants use disposable wooden chopsticks that come wrapped in paper. Remove the chopsticks from the paper and separate into two sticks. Although you might see other Japanese people rub the two sticks together to remove any thin fragments of wood, it is best not to follow this practice as you might embarrass your host. Perhaps he or she has brought you to a restaurant where the quality of the chopsticks is not very good. Pick up your food with smaller pointed ends.

Lacquer or plastic chopsticks are also used in more formal situations and in the home. These are slippery and more difficult to handle, so take your time with the food. These kinds of chopsticks are placed on a special chopstick resting piece, which is where your chopsticks should always be placed when not in use.

As you would use a serving spoon in a Western setting, use the larger serving chopsticks that may accompany a dish. If there isn’t one, you may use the clean top ends of your chopsticks. These ends should never go into your mouth once you have decided to use the other ends to eat with.

SLURPING It is the custom in Japan to make slurping noises while eating foods such as soupy noodles. It is also a sign of appreciation to your host or the cook.

DISHES It is proper to lift small bowls of rice or soup to your mouth in order to eat. You would then be able to use your chopsticks to put solid food such as rice or the seaweed in miso soup into your mouth. A very small dish is used for soy sauce only, into which you may dip certain foods such as sushi or raw fish.

SMOKING Typically, Japanese businessmen entertain during the evening hours by drinking, eating, and smoking. It is not unusual to smoke and eat at the same time. In more formal situations, smoking might be refrained at the beginning of an event. At any rate you should not be openly alarmed with the degree of smoking. Cigar smoking is uncommon.

SOME DEFINITE “DON’TS”

- Do not stick your chopsticks upright into your food, especially in your rice bowl as this is the way of offering rice to the dead.
- Do not grab your chopsticks in the palm of your hand as you grab a stick. This is how a sword is handled.
- Do not pour soy sauce on your rice. You will offend the chef. Other dishes are meant to flavor the rice as you eat. Rice is still considered a valued and precious food by the elders.
- Do not blow your nose at the table.
- Do not play with your food or try to figure out what’s in a particular piece. The Japanese are generally sensitive about this and you would be insulting your host or your superiors by playing with the food being served to you. The way in which the food is arranged and presented is equally important as the food itself.

Housing

Government Housing

Military Family Housing (MFH) in Yokosuka, and Ikego consists of 2,516 housing units. MFH includes town houses and high rise apartments. There are no basements or attics in family housing. All command sponsored family members are eligible for MFH.

MFH units are furnished with household appliances (i.e., refrigerator, electric cooking stove, microwave oven, washer, dryer and dishwasher, etc.). Accordingly, it is suggested that you do not bring your own appliances with your household goods.

Active Duty Military Personnel with dependents are required to attend the Military Family Housing brief that is held Monday through Friday starting at 0815 at the Yokosuka Housing Services Center (HSC). A housing brief for unaccompanied single personnel and all civilians (accompanied/unaccompanied) is held daily at 0945, Monday through Friday. Attendance at the MFH brief is required prior housing assignment. The space is limited for both briefs, therefore sign-up in advance is highly recommended.

Dogs are only permitted in single-family townhouses and on the 1st and 2nd floors of all housing towers. They are NOT permitted in tower elevators for any reason or on any other floor above the 2nd. Members are permitted to have no more than two pets in their assigned unit (e.g., two cats; one cat and one dog). Cats are permitted in all housing units. All pets must be registered with the Yokosuka Veterinary Services Office, have up-to-date vaccinations, and be micro-chipped for identification at all times. Pet cats must be spayed or neutered. Documentation certifying registration, vaccinations, spaying or neutering will be submitted to the Housing Office (HO) upon assignment, upon request or when there is a change. Failure to submit the required documents may result in loss of pet privileges in MFH.

All newly arriving eligible personnel will be provided a list of available units (if any) in their respective category and bedroom requirement. Selection of a unit must be made from the list provided by noon of the next business day. If no selection is made, the first available unit shall be assigned. If no units are available in the respective category, applicants will be placed on a wait list and referred to off-base housing.

Single Service Member Housing (Shore Duty personnel/Permanent Party)

Background

CNFJ and CFAY are committed to improving the quality of life for sailors by providing Unaccompanied Housing for shore duty E3 and below sailors.

Off-Base Housing

As discussed in the Financial Assistance section, moving into off-base housing can be costly; therefore, planning and budgeting ahead of time is key when moving into the Japanese Community. Initial housing expenses may range from $5,000 to $10,000. Military personnel may request ADVANCED HOUSING ALLOWANCE through their command. ADVANCED HOUSING ALLOWANCE is authorized to cover the entire move-in cost, which may include:

- first month's rent
- security deposit
- agent fee
- owner's fee

Electrical power in Japanese off-base housing is 30-50 amps at 100 volts/50 cycles. On-base housing is also 100-volt/50-cycle power. On-base quarters have 220-volt outlets to accommodate American-style clothes dryers and electric stoves. Most Japanese houses do not have the space and/or power requirements for American dryers. Space restrictions preclude the installation of an American-style washer/dryer and a large refrigerator or freezer.

Because of the difference in the power provided, many American products will run slower due to the low power supplied. Timers/clocks will lose about 10 seconds every minute.
Most American electrical products are equipped with a standard 3-prong plug; however, most Japanese homes only provide 2-prong plugs and will require adapters.

CFAY Housing can provide appliances for off-base rental quarters, if not already installed.

**The Rental Partnership Program (RPP)**

RPP is designed to assist military and civilian personnel in finding affordable, secure, quality off-base housing. This program is available to anyone eligible for OHA or Living Quarters Allowance (LQA). If you are interested in RPP, please contact the CFAY Housing Services Center.

Please contact the CFAY Housing Services Center for any housing questions or needs at [Yokosuka.Housing@fe.navy.mil](mailto:Yokosuka.Housing@fe.navy.mil).
